

ERHARDT[®] MARKISEN BSL

**Expand your living space
and enhance the
enjoyment of your home.**

The best German engineered and manufactured awning components complimented with Sunbrella acrylic fabric to create a premium quality retractable awning. Elegant in design and durable...the essence of value!

Your home is one of a kind and your awning should be too. A custom-built retractable awning professionally installed, increases the value of your home.

A wide selection of solid and striped fabric patterns plus four installation styles make the Erhardt BSL an ideal upgrade to your home.

**10 year manufacturer's warranty
10 year Sunbrella fabric warranty**

"LIFE'S COOLER IN THE SHADE"

The shoulder bracket features a safety locking mechanism with a fully adjustable pitch.

The folding arms overlap without touching. This unique feature gives optimal shading by allowing maximum awning projection in applications where a small width is available.

Certified DIN EN 13561 Class 2
